The Recycling Experts - Free Waste Audit

A Waste Audit is detailed analysis of your current waste handling methods in order to determine new opportunities for handling your waste stream more efficiently and economically.

Why do I need a [Waste Audit Report](#)?

- Your company will save significant amount of money by reducing the cost of waste collection.
- Your organization may satisfy current and future laws regarding environmental protection.
- You are acting responsibly by reducing the amount of waste going to the landfill.

How much money I can save?

- Companies implementing waste disposal programs developed by us are able to save an average 50% of the regular disposal cost.

How does it work?

- Our auditor visits your company and carefully examines and analyzes your waste stream and current disposal method. An informative and detailed report and a customized recycling program recommendation will be sent to you.

Do I have to pay anything?

- No. You do not have to pay for the audit nor for the report. You will not receive any invoice for these services

How can I order the Free Audit Service?

- Call (800) 989-7036 or fill out the [waste audit form](#) and a representative will contact you within 24 hours.
